7. MONITORING

Complaints, comments and compliments are important tools alongside evaluations and feedback from members to learn how we can improve our ways of working.

The administrator will report to the Steering Group any comments, compliments or complaints made and the responses given every 6 months. These will be monitored and information from them will be fed into the planning process.

8. LEGAL ISSUES

There maybe occasions when the EYPCF is required by law to report the complaint to law enforcement or other legal bodies such as safeguarding. At all times legal, statutory and professional investigations will overrule this complaints procedure. EYPCF will not undertake any actions that may compromise these investigations.

- The steering group may take action to protect the EYPCF, its members and staff by suspending the member/volunteer until investigations are complete

- It will complete all immediate actions but then suspend the complaints process until external investigations are complete.
- Full and accurate records of all actions will be kept.

9. DATA PROTECTION

EYPCF will keep all data related to the complaint secure and confidential. The identity of the person making the complaint will be known only to those who are investigating the complaint and will not be revealed to other people or made public. There may be exceptions to this confidentiality where legislation is involved or allegations have been made regarding the conduct of a third party.

EYPCF will normally destroy its complaints, comment and compliments file after 6 years.
